More than **200,000** crashes

a year involve drivers who are texting¹,
causing life-changing *injuries and deaths*

Know the Cost: Watch “From One Second to the Next” – an AT&T documentary that features stories of real victims whose lives were altered – or even ended – by texting behind the wheel.

Take the Pledge: Make a commitment to not text and drive at ItCanWait.com and share with your friends.

Curb the Urge: Download an app like AT&T DriveMode® that provides a customizable auto-reply message, notifying the sender that you’re driving and can’t respond.*
